MONITORING

*We carry a 4-channel wireless IEM system.

Frequencies: 823 - 832 MHz & 863 - 865 MHz.

Depending on the room acoustics, we might use it or rely on house monitoring.

Please provide 4 mono monitor lines (XLR) at the stage.

Drummer uses a hardwired IEM system at all times. Please provide 1 dedicated XLR mono monitor line to the drum position.

HOSPITALITY

Catering & Drinks

Please provide the following for 5 band members:

Hot Meal: One warm, high-quality meal per person (before the show).

Backstage Snacks: Fruits, nuts, bread, hummus, sweets/chocolate... we like everything

Local beer (cold), still and sparkling water (also for the stage), soft drinks, coffee and tea

Backstage & Facilities

Dressing Room: One clean, lockable room with enough chairs, a table, and a mirror.

WiFi: Internet access is only required for venues outside of Austria. (For domestic shows, we provide our own mobile data).

Buy-Out Option

If catering cannot be provided on-site, we agree to a buy-out of €25.00 per person.

We are looking forward to a great show and a smooth collaboration. If there are any questions regarding this rider, feel free to contact us anytime. See you at the venue!
